

Forensic-toxicological drug screening in areas controlled by law

(e.g. medical certificates for status check, proof of abstinence for MPU certificates, conditions of probation)

Services	Sample material	Price for sampling	Price for analysis	Total price per person tested
Drug screening				
Standard drug screening for driving fitness Amphetamines, cannabis, cocaine, opiates, benzodiazepines, methadone	2x 10 ml urine	€20.00	€73.00	€93.00
	2 strands of hair	€25.00	€154.90	€179.90
Drug screening for fitness to drive where there is knowledge of prior opiate use Standard + opioid analgesics (buprenorphine, norbuprenorphine, tilidine, nortilidine, oxycodone, tramadol, O-desmethyltramadol, fentanyl, norfentanyl)	2x 10 ml urine	€20.00	€99.90	€119.90
	2 strands of hair	€25.00	€214.40	€239.40
Drug screening Amphetamines, benzodiazepines, cannabis, cocaine, opiates, opioids, LSD, pregabalin, methylphenidate, others	2x 3 ml Saliva	€20.00	€50.00	€70.00
Screening for alcohol consumption markers				
Ethyl glucuronide (EtG)	2x 10 ml urine	€20.00	€57.00	€77.00
	2 strands of hair	€25.00	€139.90	€164.90
Combined screening for drug and alcohol markers				
Standard drug screening + ethyl glucuronide (EtG)	2x 10 ml urine	€20.00	€124.00	€144.00
	3 strands of hair	€25.00	€274.90	€299.90
Drug screening where there is prior knowledge of opiate consumption + ethyl glucuronide (EtG)	2x 10 ml urine	€20.00	€149.00	€169.00
	3 strands of hair	€25.00	€344.90	€369.90
Individual substances and substance groups				
THC-COOH (11-Nor-9-carboxy-THC, THC carboxylic acid) Metabolite of tetrahydrocannabinol (THC)	2 strands of hair	€25.00	€125.00	€150.00
Psychoactive medications e.g. barbiturates, neuroleptics, antidepressants etc.	2x 10 ml urine	€20.00	€29.75	€49.75
Synthetic cannabinoids (“SPICE”, “herbal mixtures”) (Scope of testing is updated regularly)	2x 10 ml urine	€20.00	€73.00	€93.00
	2 strands of hair	€25.00	€175.00	€200.00
Designer stimulants Synthetic amphetamines, synthetic cathinone (“bath salts”), aryl-alkyl amines, phenethyl amines, piperazines, tryptamines etc. (Scope of testing is updated regularly)	2x 10 ml urine	€20.00	€73.00	€93.00
Individual substance group e.g. amphetamine group (= amphetamine, methamphetamine, MDMA, MDA, MDEA)	2 strands of hair	€25.00	€59.90	€84.90

For results that can be used in court, our application forms must be filled out in full (in addition to identity checks of patient and material) and our specially sealable despatch containers must be used. The sampling fees do not apply if material collection/identity check is not carried out by us. All urine tests include determination of creatine. **All price data include VAT**

Price list valid from 02.2021
